CMX COMMUNITY FOUNDATION PROVIDES GRANT TO THE COLLEGE OF NEW JERSEY ENGINEERING DEPARTMENT

MANALAPAN, NJ – MAY 5, 2009 – May 5, 2009 - The CMX Community Foundation, dedicated to benefiting the company's immediate and neighboring communities, recently gave a grant to The College of New Jersey (TCNJ). The \$2,500 grant will support at least two scholarships for TCNJ engineering students.

"We started giving grants to help our surrounding communities," said Patrice Malleus, Chair, for the CMX Community Foundation. "In these tough economic times and with college costs rising yearly, the CMX Community Foundation felt a real need to support college students in their goals of becoming engineers."

About The CMX Community Foundation

The CMX Community Foundation was established in 2004 to "make a difference" in the communities where the company's employees work, live and play. To date the foundation has donated more than \$1,500,000 to programs in the areas of Healthcare, Community, Education and Children. For more information on the foundation, visit the web site at www.cmxcommunityfoundation.org.
