CMX APPOINTED ENGINEER FOR THE BOROUGH OF FREEMANSBURG

ALLENTOWN, PA –NOVEMBER 24, 2009 – CMX, a local engineering and consulting firm, has been selected as Freemansburg Borough Engineer. CMX will be responsible for providing general engineering services and grant assistance for the borough. CMX has over 40 years of municipal engineering and design experience. Senior Project Manager, Timothy J. Edinger, P.E., has been named project manager for Freemansburg. With over 32 years of experience in municipal engineering, Edinger will lead the CMX team working with the borough on a range of engineering projects.

According to Edinger, "CMX is proud to have been selected as Freemansburg Borough Engineer and looks forward to working in partnership with the Borough Council. We are committed to providing the highest level of service to ensure that all projects are completed successfully."

About CMX

CMX is an engineering and consulting firm with 500 employees offering a broad range of services for public and private clients from 16 office locations strategically located throughout the Northeast and Florida.
